ANNUAL HULL INSURANCE -DEDUCTIBLE REIMBURSEMENT / MAINTENANCE FUND PROGRAM

I, _____ a member of WINFC, understand that WINFC's in-motion hull insurance coverage has a \$1,000 deductible. I further understand that should my action(s) or lack of action(s) cause damage to a WINFC- controlled aircraft and I am found culpable, I will be financially liable for, at a minimum, the first \$1,000 of damage.

I understand that WINFC has agreed to administer a reimbursement program where members contribute **\$ 25.00** to a fund annually, that will cover up to \$1,000 should WINFC decide said member is responsible for damage to a WINFC-controlled aircraft. Additionally, each fiscal year, the funds exceeding the allotted amount established by the Board of Directors may be used for maintenance and or upkeep of club aircraft.

I understand that this program is not a policy of insurance, I understand that WINFC is not a party to this group of individuals, and, further, I agree that I will make no claim against WINFC for any purpose whatsoever as it relates to this plan of reimbursement.

I hereby request and authorize WINFC to represent me, and my interests in this group of individuals and I understand that any request I may make of this deductible reimbursement program shall not ever exceed \$1,000.
